

Accessible Frankenstein Analytical Map Project

Rubric (ESE/504/IEP Aligned)

Accessibility Features: OpenDyslexic font recommended (or Arial/Verdana), 14-point minimum text, high-contrast formatting, checkbox scoring, screen-reader compatibility, chunked feedback sections, and accommodations aligned with IEP, 504, and ESE supports.

Understanding of Frankenstein (25 points)

- Accurately identifies major themes and concepts
- Explains character motivations and relationships
- Demonstrates understanding beyond plot summary
- Connects ideas from the semantic map

Teacher Score: _____ / 25

Feedback Questions:

- Did the student identify central concepts?
- Did the student explain thematic relationships?
- Did the student demonstrate understanding beyond summary?

Teacher Notes: _____

Integration of Three Songs (20 points)

- Three songs selected and connected to the novel
- Connections are meaningful and supported
- Themes align with concepts from the semantic map
- Explanations go beyond surface-level similarities

Teacher Score: _____ / 20

Feedback Questions:

- Were song choices relevant?
- Were thematic connections explained?
- Did the student support their reasoning?

Teacher Notes: _____

Use of Literary Elements (20 points)

- Identifies literary devices accurately
- Explains how devices contribute to meaning
- Uses evidence to support analysis
- Connects literary elements to themes

Teacher Score: _____ / 20

Feedback Questions:

- Were literary devices identified correctly?
- Was significance explained?
- Was evidence used effectively?

Teacher Notes: _____

Analysis & Explanation (15 points)

- Moves beyond summary
- Analyzes significance of evidence
- Develops interpretations
- Explains relationships among ideas

Teacher Score: _____ / 15

Feedback Questions:

- Did analysis go beyond summary?
- Were interpretations supported?
- Did the student explain significance?

Teacher Notes: _____

In-Text Citations (10 points)

- Correct citation format used
- Sources integrated appropriately
- Minimal formatting errors

Teacher Score: _____ / 10

Feedback Questions:

- Are citations present?
- Are citations formatted correctly?

Teacher Notes: _____

Bibliography / Works Cited (10 points)

- All sources included
- Entries formatted consistently
- Matches in-text citations

Teacher Score: _____ / 10

Feedback Questions:

- Is the bibliography complete?
- Does it match cited sources?

Teacher Notes: _____

Accommodation Statement

This rubric is designed to support accommodations outlined in students' Individualized Education Programs (IEPs), 504 Plans, and Exceptional Student Education (ESE) profiles. The feedback questions are aligned with the concepts developed in the Semantic Map Project created through Claude. By making feedback criteria transparent, students gain insight into how their work will be evaluated and what teachers are looking for within each response. This transparency can also help teachers focus on targeted areas of student growth while maintaining consistency in assessment practices.

Accommodation Checklist

- Extended time
- Read-aloud support
- Speech-to-text
- Text-to-speech
- Graphic organizers
- Chunked instructions
- Teacher conferencing
- Alternative response formats
- Assistive technology

AI Assistance Disclosure: This rubric was revised with assistance from ChatGPT (OpenAI) to improve accessibility, accommodation alignment, organization, and assessment clarity. The accommodation statement and project-specific instructional content were developed by the instructor and incorporated into the final rubric design.
